**DEFAULT FINAL DECISION AND ORDER OF SUSPENSION  
OF REGISTERED NURSE LICENSE**

On May 3, 2022, the Maryland Board of Nursing (the “Board”) issued a charging document<sup>1</sup> (the “Charges”) to SHELLEY KAY HILL, registered nurse (“RN”), license number R227386, (the “Respondent”), alleging that the Respondent violated the Maryland Nurse Practice Act (the “Act”), Md. Code Ann., Health Occupations (“Health Occ.”) §§ 8-101 *et seq.* (2021 Repl. Vol.), specifically § 8-316(a)(3) [predicated on § 8-316(a)(8) and (30)].

The Board’s Charges notified the Respondent of the opportunity to request an evidentiary hearing before the Board. The Charges also advised that if the Respondent failed to submit a request for a hearing to the Board within thirty (30) days from the date of the issuance of the Charges, the Respondent would waive the opportunity for an evidentiary hearing. In the event of such a waiver, the Charges notified the Respondent that the Board would issue a final decision and order by default pursuant to the authority of § 8-316(a) and (b) of the Health Occupations Article, Md. Code Ann., State Gov’t §§ 10-210(4) and 10-221 (2014 Repl. Vol.), and Code of Maryland Regulations (“COMAR”) 10.27.02.09, wherein the allegations of fact in the Charges would become findings of fact, the disciplinary grounds that the Charges alleged to have been violated would become conclusions of law, and a disciplinary sanction and/or monetary penalty would be imposed.

---

<sup>1</sup> The Board’s Charging Document consisted of a three-page letter and a three-page document entitled, “Charges Under the Maryland Nurse Practice Act.” The Board’s Charging Document is appended to this Order as Exhibit A and is incorporated by reference in its entirety.

**HILL, Shelley Kay (R227386)**

**Default Final Decision and Order of Suspension of Registered Nurse License**

The Board sent its Charges by regular and certified mail to the Respondent's last known address. The Board finds that the Charges were properly issued and that due and proper notice was given to the Respondent in accordance with § 8-317(c) of the Health Occupations Article and §§ 10-207 and 10-209(c) of the State Government Article.

The Respondent failed to submit a request for an evidentiary hearing within thirty (30) days from the date of the issuance of the Board's Charges. Thus, the Board finds that the Respondent has waived the right to an evidentiary hearing and that the Board is authorized to issue this final decision and order by default pursuant to the authority of § 8-317(e) of the Health Occupations Article and § 10-210(4) of the State Government Article.

**FINDINGS OF FACT**

The Board adopts allegations of fact numbered 1-4 on pages 2-3 of the attached Charges as Findings of Fact.

**CONCLUSIONS OF LAW**

Accordingly, the Board concludes that the Respondent has violated § 8-316(a) of the Health Occupations Article:

- (3) Is disciplined by a licensing, military, or disciplinary authority in this State or in any other state or country or convicted or disciplined by a court in this State or in any other state or country for an act that would be grounds for disciplinary action under the Board's disciplinary statutes; *to wit*,

**§ 8-316 (a):**

- (8) Does an act that is inconsistent with generally accepted professional standards in the practice of registered nursing or licensed practical nursing;
- (30) Violates regulations adopted by the Board or an order from the Board[.]

**HILL, Shelley Kay (R227386)**

**Default Final Decision and Order of Suspension of Registered Nurse License**

The Board concludes that these violations of the Act fall within category C of the Board's sanctioning guidelines. *See* COMAR 10.27.26.07C. The range of potential sanctions under category C includes reprimand to revocation, and/or monetary penalty of \$1,000 to \$5,000. *Id.*

**ORDER**

Based upon the foregoing Findings of Fact and Conclusions of Law, it is hereby:

**ORDERED** that the license of the Respondent to practice as a registered nurse in the State of Maryland, license number R227386, is hereby **SUSPENDED FOR A MINIMUM OF ONE (1) YEAR** beginning on the effective date of this Order; and it is further

**ORDERED** that the Board will not consider an application for reinstatement of the Respondent's license to practice as a registered nurse any earlier than **ONE (1) YEAR** from the effective date of this Order; and it is further

**ORDERED** that, pursuant to the Nurse Licensure Compact,<sup>2</sup> the multistate status of the Respondent's RN license shall be **deactivated** during the pendency of this Order. Accordingly, the Respondent's RN license shall be designated as **single-state only**, and the Respondent shall not have a multistate licensure privilege to practice as an RN in any party state to the Nurse Licensure Compact. The multistate status of the Respondent's RN license shall not be reactivated unless and until the probation imposed by this Order is terminated; the Respondent's RN license is restored to full unencumbered and active status; and the Respondent is not otherwise disqualified from holding a multistate license at that time; and it is further

<sup>2</sup> The Nurse Licensure Compact is an agreement between boards of nursing of party states to the Compact under which registered nurses and licensed practical nurses may have one "multistate" nursing license in their primary state of residence that allows them to practice in any other party state pursuant to a "multistate licensure privilege." *See generally* Health Occ. §§ 8-7A-01 *et seq.* Maryland is a party state to the Compact.

1. The allegations of fact set forth in the Administrative Complaint are approved, adopted, and incorporated herein by reference as the findings of fact of the Board.
  2. There is competent, substantial evidence to support the Board's findings and conclusions.
